
Group Assignment - Python Programming

Web Scraping and User Interfaces

Sanhy Van Kilia -, Savinay Singh -, James Murray -
13879046

This is the abstract, Make sure you type this after the paper is written.

Contents

Project Outline	3
Motivations and Reasoning	3
Scope and Frame	3
Background	3
Web-scraping	3
Object Oriented Programming	3
API	3
Ethical Considerations	3
Execution	3
Program Structure	3
Program Performance	3
Program Issues	3
Future Opportunities and Considerations	3
Scaling Opportunities	3
Depth	3
Breadth	3
Ethical Considerations	3
Social	3
Economic	3
Next Steps and Conclusion	3
